

Medical Summit and Expo on Orthopedics, Osteoporosis and Orthopedics Surgery September 28-30, 2020, Beijing, China

Ravichandran Subbaraj

Research Contribution and Achievement

The conference offers emerging scholar awards to outstanding researchers, exceptional graduates or early academicians who have distinctive enthralment towards the conference themes. The Award strives in providing a strong professional development opportunity for early career academicians—meeting experts in the field, interacting with colleagues from other parts of the world, and creating networks and long-term relations.

Best Poster Award

Student Poster Competition is organized at Conference, to encourage students and recent graduates to present their original research. All accepted abstracts will be presented at the poster sessions during the conference. PULSUS aims at setting a platform for all the budding scientists and researchers to present their real-time work and share their views and aspects related to the theme of the conference. You can nominate someone deserving of the award through online.

Poster presentation Benefits:

Unique opportunity to combine visual and oral explanations of your projects in the form of poster presentation

Best poster Award: 3 best posters will be awarded at the closing ceremony of the conference

The entire accepted poster abstract will be published in reputed and supporting international journals with unique DOI given by CROSSREF

Best posters will be given an opportunity to publish the full work at discounted processing charges in the supporting international journals

Young Scientist Award

PULSUS publicizes an outline of Awards for Young Scientists in order to help excellence in various fields of science and technology. These Awards are known as "Young Scientist Awards". The award is open to those researchers involved in graduate education and research happenings that accentuate bearable progress.

This award is recognizing for Masters/Ph.D./Post Doctorate thesis work Presentation who will present their projects and thesis that have been implemented to improve long-term excellence in the field of Surgery. You can nominate deserving of the award through online. You can nominate someone deserving of the award through online.
