Osteoporosis 2019

12th International Conference on Osteoporosis, Arthritis and Musculoskeletal Disorders was organized during **March 13-14, 2019** at **London, UK** with the support and contribution of the Organizing Committee Members.

Firstly, we must thank you for trusting us and participating in Osteoporosis 2019, a global platform to discuss various important aspects of Osteoporosis, Arthritis and Musculoskeletal Disorders.

There are infinite reasons to extend our gratitude to you for making the Osteoporosis 2019 outstanding conference. We couldn't have done it without your continuous support and believe towards our organization, which mutually made to achieve Osteoporosis 2019 a new height in the field of Osteoporosis.

The conference was marked with the attendance of young and brilliant researchers, business delegates and talented student communities representing more than 15 countries, who have driven this event into the path of success.

The conference was organized around the theme **“Exceeding the Vision in Osteoporosis”**. The event implanted a firm relation of upcoming strategies in the field of Osteoporosis, Arthritis and Musculoskeletal Disorders. The conceptual and applicable knowledge shared, will also foster organizational collaborations to nurture scientific accelerations.

The conference proceedings were carried out through various Scientific-sessions and plenary lectures, of which the following Speakers were highlighted as Keynote speakers:

Ravichandran Subbaraj, NMC Day Surgery Centre, UAE

Anthony Cavazos, Madison Medical & Sports Rehabilitation Center, USA

Michael Borsky, Etzelclinic, Switzerland

Wagih El Masri, Keele University, UK

The conference witnessed an amalgamation of peerless speeches, Keynote speakers, well-known researchers and delegates who enlightened the crowd with their enviable research knowledge and on various alluring topics related to the field of Osteoporosis and various rheumatic disorders by their fabulous presentations at the podium of Osteoporosis 2019.

Pulsus Group offers its heartfelt appreciation to all the Organizing Committee Members, Chairs and Co-chairs, Speakers, Students, Media Partners, sponsors and Editorial Board Members of Journal of Journal of Orthopaedics Trauma Surgery and Related Research, International Journal of Clinical Rheumatology, Journal of Emergency and Trauma Care, who supported the conference in every aspect for the awe-inspiring exhibition at the venue.

We are also obliged to various delegate experts, company representatives and other eminent personalities who supported the conference by facilitating active discussion forums. We sincerely thank our **Organizing Committee Members**.

So, as a continuation of Osteoporosis 2019, we would like to heartily invite you to our upcoming [13th International Conference on Osteoporosis, Arthritis and Musculoskeletal Disorders](#) scheduled during **April 08-09, 2020** at **Dubai, UAE**.

For 2019 we are expanding our focus towards all aspects of Osteoporosis, Arthritis and Musculoskeletal Disorders and Research findings as treatment methods. Our organizing committee is gearing up for more innovative and explorative sessions to unleash the boundaries of the Osteoporosis 2019.

Your expertise and knowledge in the area of Osteoporosis 2019 will provide an opportunity to discuss and respond to a series of questions about the status of advanced Osteoporosis.

We would like to organize this conference with your support to gather all the Osteoporosis researchers in a single platform, hope we will be honoured with your support to organize Osteoporosis 2020 in a grand level, your support will be the key of success for our next year conference.

We look forward to seeing your benign presence with active contribution and support to make this event successful once more.

Once again, it's our pleasure to welcome you to our upcoming Osteoporosis 2020.
